

Combination Play and Shooting Practice

Date: 18 May 2011

Measurement: 40 x 30

Time: -

Players: 10

Duration: -

Level/Age Group: U8+

Description: Red player 2 starts by checking to the yellow cone to create space. At this time player 1 passes to player 2 who meets the ball and set the ball back to player 1. Player 1 passes first time to player 3 who should check to the yellow cone before meeting the ball and setting it inside for player 2 to strike on goal. Player 3 should follow in for rebounds. All players rotate to where they played the ball. Rebound players join the opposite group, i.e. Red player goes behind player Blue 4.

Objective: To develop passing, combination play and shooting.

Coaching Points:

1. Player 2 should check to create space, open up body shape on half-turn and pass with the back foot.
2. Correct timing and movement off the ball is crucial.
3. Weight of pass and lay-offs should be accurate to and from players.
4. Players must hit the target to at least work the goalkeeper.

Progression:

1. Add a mannequin or cone positioned in front of the striking player so he has to either shoot around it or beat it.
2. Add defenders.
