Barcelona in the four phases of the game	25
• Barcelona in the defensive phase	25
• Barcelona in the transition from attack to defence	26
• Barcelona in the attacking phase	27
• Barcelona in the transition from defence to attack	28
Chapter 4	29
Barcelona in the attacking phase	30
• Positioning: Creating the correct shapes	33
• Movement without the ball	34
• Diagonal Passing	35
• Vertical Passing	37
• Pass and move combinations	40
Chapter 5	43
Barcelona's formation during the attacking phase	44
• Attacking formation	45
• Attacking formation: Variations	46
• Playing with 3 defenders	47
• Creating width	48
The first stage of the attacking phase	49
• Building up play from the back	50
• Vertical pass to the forward	54
• Messi dropping deep into an attacking midfielder's position	56
• Defenders joining the midfield	58
• Switching Positions	60
• Defensive Midfielder's positioning	62
• Movement into Space	64

CONTENTS

- Rhombus/Diamond shape in the Central Zone66
- Forward dropping deep to maintain possession68
- Movement: Creating space for others70
- Using the correct body shape73
- Maintaining possession from wide positions75
- Decision making in the final third77
- Numerical disadvantage in the final third80
- Numerical superiority82

- Chapter 685**
- The first stage of the attacking phase against the 4-2-3-1 Formation86**
- Attacking down the flank87
- Switching play90
- Receiving with the correct body shape92
- Exploiting Space93
- Creating 3 Passing Options94
- Receiving with your back to goal96
- Body shape determining the next pass97
- Approaching the third stage of attack99
- Central midfield passing options101
- Maintaining balance in the central zone103
- Numerical superiority around the ball zone105
- Wide Forwards107
- Messi dropping deep109
- Xavi’s options from his central position111

- Chapter 7112**
- How Barcelona deal with the opposition’s pressing during the first stage of the attacking phase .113**
- Vertical passes against the 4-4-2115
- Advancing full backs creating space116
- Passing out from the goalkeeper117

- Chapter 8127**
- Barcelona during the second and third stage of the attacking phase on the right side128**
- Build up play using a three man defence129
- Messi’s wide movement131
- Diagonal runs in the final third132
- Attacking down the flank134
- Attacking down the flank: Overlapping runs135
- Combination play near the penalty area136
- 2 v 2 Attacking down the flank137

CONTENTS

- 2 v 1 Attacking down the flank143
- Decision making and maintaining possession144
- Messi's driving runs from deep145
- Messi maintaining possession146
- Messi playing from the right flank147

The build up play using a two man defence150

- Formations150
- Daniel Alves's passing options153
- Messi's movement into 'the hole'154
- Iniesta advancing into Messi's position156
- Advancing runs from the left back158
- Messi in the central zone160
- Switching play162

Chapter 9163

Barcelona during the second and the third stage of the attacking phase on the left side164

- The build up play using the three man defence164
- Abidal's passing options166
- Attacking down the left flank; 2 v 1169
- Overlapping run170
- Passing combinations in the final third171
- One-twos and diagonal runs in the final third172
- Abidal's passing combinations173
- Iniesta's driving runs175
- Movement and the final pass176
- 2 v 2 on the left flank177
- Maintaining possession in tight areas179
- Switching the play to the left flank180

The Build up play using a two man defence181

- The left back's passing options183
- Passing combinations and awareness on the left side184
- 2 v 1 on the left flank185
- The left back in an advanced position186
- Playing out from the back to create a 2 v 1 situation188
- Awareness and decision making189
- Vertical pass from the back190
- Switching from the weak side to the strong side191
- Decision making: Entering the third stage of attack192
- Switching play from a central position196

CONTENTS

- Overlapping runs197
- Defensive midfielder’s passing options199
- Iniesta attacking down the left flank200
- Timing runs in behind the defence202
- Passing through the midfield line203
- Switching play from left to right204

- Chapter 10205**
- The retaining of balance during the attacking phase206**
- Attacking phase formations; 2-5-3207
- Attacking phase formations; 3-4-3209
- Defensive midfielder’s role211
- The full back’s role214
- Maintaining balance; Forwards216
- Maintaining balance; Left side218

- Chapter 11219**
- The transition from attack to defence220**
- The safety player221
- Applying immediate pressure when possession is lost229
- Busquets as the safety player230
- Using three men at the back232
- Possession lost near the opposing penalty area234
- Winning the ball back in the central zone236
- Regaining possession near the sideline240
- Regaining possession near to the opponent’s penalty area243
- Cohesion in the transition phase245
- When immediate regaining of possession is not possible246
- When immediate regaining of possession is possible248
- Regaining possession in the centre of the field249
- Team cohesion to regain possession250
- Winning the ball in an advanced wide position253
- The opposition win the ball near the halfway line255
- Preventing the switch of play258
- Using two safety players259

- Chapter 12260**
- The transition from defence to attack261**
- Pressing near the sidelines in an advanced position262
- Transition to the final attacking stage266
- Intercepting a pass from the goalkeeper271

CONTENTS

Chapter 13273
Barcelona’s attacking from set pieces274
• Corner Kicks274

Chapter 14277
• Playing with ten men278

Conclusion279

CONTENTS

Introduction

Chapter 1	12
The characteristics of Barcelona players	13
• Player Profiles	14
• Pep Guardiola.....	18
• Barcelona’s first 11 for the 2010-11 Season (4-3-3 Formation)	19
Chapter 2	20
The philosophy of Barcelona	21
Chapter 3	22
Barcelona in the four phases of the game	23
• Barcelona in the defensive phase	23
• Barcelona in the transition from attack to defence	24
• Barcelona in the attacking phase.....	25
• Barcelona in the transition from defence to attack	26
Chapter 4	27
Barcelona in the Defensive Phase	28
• The chain reaction of the midfielders and the forwards.....	29
• The chain reaction of the defenders	31
• Cohesion between the back four and the defensive midfielder	32
• Pressure, cover and support in wide areas	34
• Tactical movement: Offside line	36
• Keeping the ball near the sideline and preventing the switch of play.....	38
• Pressing high up the pitch towards the sideline	38
• Closing passing options inside; forcing play down the line	41
• The second line of defence.....	43
• Limiting the space for the wide player in possession.....	46
Chapter 5	48
Barcelona in the defensive phase against the 4-4-2	49
• Limiting the opposition to one passing option at the back.....	49
• Applying pressure to a team passing along the back line’	52
• Pressure on the goalkeeper	55
• Pressure on the central defender receiving the ball from the goalkeeper	57
• Defending forward runs from the full backs.....	59

CONTENTS

- Limiting passing options for the central defenders62
- Preventing midfielders receiving short passes from the defenders.....66
- Defending a goalkeeper’s pass to a full back.....68
- The opposition full back receives the ball on the halfway line71

- Chapter 673**
- Barcelona in the defensive phase against the 4-2-3-174**
- Marking forwards who drop deep to receive the ball77
- Pressing forward and covering positions.....80
- Preventing vertical passes and creating superiority in numbers around the ball82
- Defending a long kick towards the sideline.....84
- Midfield balance and positioning from long kicks86

- Chapter 788**
- Barcelona in the defensive phase against the 4-3-2-189**
- Preventing numerical dominance in midfield.....90
- Tracking players and preventing short passes93
- Intelligent positioning to prevent vertical passes97

- Chapter 899**
- Barcelona in the defensive phase against the 5-3-2100**
- Man Marking101
- Utilising the spare man in midfield; double marking.....104
- Attacker’s defensive work to maintain cohesion106

- Chapter 9108**
- Barcelona in the defensive phase against the 4-3-1-2109**
- Getting three players around the ball carrier; regaining possession109
- Pushing high up the pitch to mark free players112
- Denying space for potential receivers of the ball115

- Chapter 10.....117**
- Tactical situations where the pressing application was not possible118**
- Defenders118
- The opposition create space down the flank to attack.....119
- Defending a long kick to the centre of the field123
- Midfielders125
- Defending against a central midfielder with space to create126

CONTENTS

- Defending the long ball into the attacker131
- Midfield cohesion around the ball zone134
- Defending an aerial ball into the centre of the field.....136
- Forwards139
- The second line of defence139
- Closing down attacks on the flank.....142

- Chapter 11144**
- Barcelona when defending near the sidelines145**
- Defending on the weak side145
- Defending near the sidelines and close to the penalty area150
- Defending when the winger nears the by-line.....151
- Defending a free player near the penalty area153
- Defensive adaptability.....155

- Chapter 12157**
- Barcelona’s defending from set pieces158**
- Defending a goal kick159
- Defending a corner kick.....160
- Defending a free kick near the sideline162
- Defending a free kick near the corner flag.....163
- Defensive positioning from throw-ins164

- Conclusion.....166**
