

FC Schalke U19 German Academy Passing Combination Drill

Date:	9/Jul/2013	Measurement:	40 x 40 Yards
Time:	N/A:N/A	Players:	16
Duration:	20	Level/Age Group:	U11 - 18+

Description: Set-up players in group of 4's; vertically, horizontally and 2 groups diagonally. The sequence starts with players A passing to player B who returns the ball back in space. Player A passes long to player C. During this time players A and B switch places. Player C passes to player D who returns the ball back in space. Player C passes long to player B. During this time players C and D switch places. The sequence continues.

Objective: To develop passing short, long, angle of support, creating space, timing of movement to and from the ball.

Coaching Points:

1. Player B needs to check to create space before moving at angle to receive the ball.
2. Player B should set the ball back for player A using the back foot.
3. Player C should create space by before moving to receive the pass from player A.
4. As the ball is travelling from A to C, player D should check to create space before receiving the pass from player C.

Progression:

1. Follow your pass.
