Goalkeeper Training Tips ............................................................... 9
Drill Format / Key ........................................................................ 10

CHAPTER 1: CATCHING .................................................................. 11
Drill 1: Catching the Ball in Front of Goal ....................................... 12
Drill 2: Side-steps and Catch .......................................................... 13
Drill 3: Catching After Quick Small Steps ....................................... 14
Drill 4: Catching After Turning from the Near Post ......................... 15
Drill 5: Catching After Low Hurdle Jumps ...................................... 16
Drill 6: Catching and Throwing with Slalom Through Poles .......... 17
Drill 7: Catching with Quick Cone Touches ..................................... 18
Drill 8: Catching and Awareness Drill ........................................... 19
Drill 9: Throwing/Kicking and Catching in a Continuous Circuit ...... 20
Drill 10: Throwing and Catching in a 4 v 4 Possession Game within the 6-Yard Box .......................................................... 21

CHAPTER 2: FALLING .................................................................. 22
Drill 1: Falling Save at Close Distance ............................................ 23
Drill 2: Falling Saves to Left and Right ............................................ 24
Drill 3: Continuous Falling Saves from Opposite Sides .................... 25
Drill 4: Jump Low Hurdle + Falling Save ........................................ 26
Drill 5: Two Falling Saves in Quick Succession ............................... 27
Drill 6: Falling Saves and Awareness Drill ..................................... 28
Drill 7: Changing Direction + Falling Save within a 4-GK Passing Combination .......................................................... 29
Drill 8: Fast Reactions and Turning + Falling Save ......................... 30
Drill 9: Falling Save at the Near Post from a Cross ......................... 31
Drill 10: Falling Saves to Defend the Bottom Corners...................... 32

CHAPTER 3: DIVING .................................................................. 33
Drill 1: Diving to Side from Kneeling Position ................................... 34
Drill 2: Falling with Ball in Hands and Maintaining Control .............. 35
Drill 3: Moving to One Side and Quickly Changing Direction to Make a Diving Save .......................................................... 36
Drill 4: Changing Direction + Diving Over Rope .............................. 37
Drill 5: Diving Out of Goal to Grab the Ball ...................................... 38
Drill 6: Diving and Pushing the Ball Away from Danger ................... 39
Drill 7: Side-steps and Dive to Save in the Top Corner ..................... 40
Drill 8: Back-steps and Dive to Tip Ball Over Crossbar .................... 41
Drill 9: Diving to Save Free Kicks with Mannequin Wall ................. 42
Drill 10: Jumping On and Off Bench + Over Rope to Make a Diving Save .......................................................... 43
CHAPTER 4: PUNCHING

Drill 1: Training the Correct Angle and Position of Hands in a Basic Stationary Punching Drill .................................................. 45
Drill 2: Punching from Sitting, Kneeling and Standing Positions .......................................................... 46
Drill 3: Throw, Punch and Catch in a 3-GK Juggling Group ................................................................. 47
Drill 4: Punching Over Mannequins from a Stationary Position .......................................................... 48
Drill 5: Punching Over Mannequins in a Continuous Throwing Circuit ........................................... 49
Drill 6: Punching the Ball while Holding Another Ball in a 3-GK Juggling Group ............................... 50
Drill 7: Accurate Punching with Alternate Hands from a Sitting Position ........................................ 51
Drill 8: Punching the Ball Away from Goal to Alternate Sides .......................................................... 52
Drill 9: Quick Footwork and Punching the Ball Over the Crossbar ................................................... 53
Drill 10: Punch Ball Small Sided Game with Large Goals ................................................................. 54

CHAPTER 5: PARRYING

Drill 1: Parrying the Ball Away from Goal ......................................................................................... 56
Drill 2: Parrying the Ball to Alternate Sides from a Sitting Position ............................................... 57
Drill 3: Dive and Parry + Get Up to Save Second Ball .................................................................... 58
Drill 4: Quick Side-steps, Dive Low and Parry Away ................................................................. 59
Drill 5: Quick Side-steps, Dive High and Parry Away in a Dynamic Goalkeeper Circuit .............. 60
Drill 6: Parrying Shots Away from Goal with 2 Hands .................................................................. 61
Drill 7: Quick Sprint Forward, then Back + Parry Over the Crossbar ............................................... 62
Drill 8: Quick Side-steps and Parry the Ball Over the Crossbar at an Angle .................................... 63
Drill 9: Diving and Parrying Shots to the Top or Bottom Corners .................................................. 64
Drill 10: Continuous Quick Footwork and Parrying the Ball Over the Crossbar with 2 Goals ......... 65

CHAPTER 6: HIGH BALLS

Drill 1: Jump to Catch Stationary Ball ............................................................................................. 67
Drill 2: Crossover-steps + Catch High Ball ...................................................................................... 68
Drill 3: Catch High Ball at the Near Post Against a Defender ....................................................... 69
Drill 4: Compete to Catch High Ball in a 2 Team Game ............................................................... 70
Drill 5: Touch Post and Run Through Consecutive Poles to Catch High Balls .............................. 71
Drill 6: Continuous High Ball Catches from Different Angles ..................................................... 72
Drill 7: Fast Reactions to Catch High Balls Over Mannequins to Right or Left ....................... 73
Drill 8: Kicking and Catching High Balls Over a Large Goal Game ............................................ 74
Drill 9: Competing to Catch High Balls in a Dynamic 3 Zone Game ........................................... 75
Drill 10: Catching High Balls Against Defender in the Box + Long Kick Out .............................. 76

CHAPTER 7: ONE v ONE

Drill 1: Blocking Close Up Shots in a Cone Channel ...................................................................... 78
Drill 2: Diving Forward to Save at an Opponent’s Feet ................................................................. 79
Drill 3: Move Forward to Attack the Ball and Save ........................................................................ 80
Drill 4: Running Out of Goal to Save 1 v 1 Against an Opponent Running onto a Pass .............. 81
Drill 5: Saving at Close Range with Opponents Moving in for Rebounds ............................... 82
The "Block Position" .................................................................................................................... 83
Drill 6: Correct Technique for "Block Position" in a 1 v 1 Situation ................................................. 84
Drill 7: “Block Position” in a 1 v 1 Situation using Mini Goals .................................................. 85
Drill 8: Fast Reactions to Form “Block Position” to Left or Right .................................................. 86
Drill 9: Practicing the “Block Position” in a 1 v 1 Duel Game with Mini Goals ................................ 87
Drill 10: Practicing All Techniques for 1 v 1 Situations in a 4 Cone Drill ........................................ 88

CHAPTER 8: TECHNICAL SKILLS WITH THE FEET ................................................................. 89

Drill 1: Short One-Touch Passing on Left and Right Side with Both Feet ........................................... 90
Drill 2: Directional First Touch Out in Front + Return Pass ................................................................. 91
Drill 3: Opening Up to Receive and Pass .................................................................................................. 92
Drill 4: Accurate Chip Passing .................................................................................................................. 93
Drill 5: One-Touch Zig-Zag Passing Through Cones on the Move ......................................................... 94
Drill 6: Moving to Receive Back Passes and Play Out within the 6-Yard Box ........................................ 95
Drill 7: Back Pass, One-Two and Chip Pass in a 4-GK Passing Drill ....................................................... 96
Drill 8: Passing/Receiving Ground and Aerial Passes in a 3-GK Line Passing Drill .......................... 97
Drill 9: One-Two Combinations with Short and Long Passing ............................................................... 98
Drill 10: “Wall Ball Game” with Passing Against Low Bench ................................................................. 99

CHAPTER 9: FOOTWORK .............................................................................................................. 100

Drill 1: Movement in All Directions with Ankle Resistance Band ........................................................ 101
Drill 2: Sideways Movement and Catch with Jump ............................................................................... 102
Drill 3: Awareness and Quick Movements in Different Directions within a Square + Catch .................. 103
Drill 4: Side-steps and Jumps in All Directions within a Square + Catch ........................................... 104
Drill 5: Speed and Coordination Training with a Ladder + Catch and Throw ......................................... 105
Drill 6: Turn, Big Step + Small Steps to Receive a Pass ......................................................................... 106
Drill 7: Quick Back-steps Towards Goal + Jump to Save ...................................................................... 107
Drill 8: Sprinting with Different Types of Resistance ............................................................................ 108
Drill 9: Sprint Out of the Penalty Area Towards the Ball and Accurate Chip Pass ............................ 109
Drill 10: Different Types of Footwork and Catching Techniques within a 6-Yard Box Circuit ......... 110

CHAPTER 10: DISTRIBUTION ........................................................................................................... 111

Drill 1: Practicing Various Distribution Techniques (Long Kick, Drop Kick, Rolling Ball, Overarm Throw) .... 112
Drill 2: Accurate Distribution Through Channels in a Competitive 1 v 1 Game ..................................... 113
Drill 3: Hitting Targets: Rolling, Throwing and Kicking ....................................................................... 114
Drill 4: Accurate Passing into Small Goals ............................................................................................ 115
Drill 5: Goal Kick, Drop Kick and Catch in a 3-GK Group .................................................................. 116
Drill 6: Catch, Throw Out, One-Two and Long Kick in a Dynamic Circuit .......................................... 117
Drill 7: Accurate Overarm Throws to the Left, Right and Centre ............................................................ 118
Drill 8: “Piggy in the Middle” Distribution Game .................................................................................. 119
Drill 9: Different Distribution Techniques in a 5-Part Points Game .................................................... 120
Drill 10: Short and Long Distribution in a Circuit Points Game .............................................................. 121

CHAPTER 11: DRILLS WITH OUTFIELD PLAYERS .......................................................................... 122

Drill 1: Catching Aerial Balls in the 6-Yard Box ............................................................................... 123
Drill 2a: Throwing the Ball Out and Catching Headers in the 6-Yard Box ............................................ 124
Drill 2b: Rolling the Ball Out and Saving First Time Shots After Lay-Off. .................................................. 125
Drill 3: 2 GKs (+2 Players) vs 2 Players in a Dynamic 2 Goal Possession Game .................................................. 126
Drill 4: Dynamic Goalkeeper to Goalkeeper Rondo Possession Game .......................................................... 127
Drill 5: Distribution and Catching within a Passing Combination Drill .......................................................... 128
Drill 6a: Sprinting Out of Goal to Win the Ball in a 1 v 1 Against an Oncoming Attacker ........................................ 129
Drill 6b: Sprinting Out of Goal to Close the Angle for an Oncoming Attacker .................................................... 130
Drill 7a: 1 v 1 Against Attacker from Either Side .................................................................................................. 131
Drill 7b: Protecting the Goal Against 2 Attackers with the Help of 1 Defender .................................................... 132
Drill 8: 4 v 1 / 8 v 2 Rondos with the Goalkeeper in the Middle ........................................................................... 133
Drill 9: Saving First Time Shots from the Edge of the Penalty Area in a 2 Team Game ........................................... 134
Drill 10: Defending Crosses in a Dynamic 2 Zone 4 (+1) v 4 (+1) Small Sided Game ............................................. 135

CHAPTER 12: GOALKEEPER GAMES .................................................................................................................. 136

Drill 1: Head and Catch Goalkeeper Circle Game ............................................................................................... 137
Drill 2: "Goalie Wars" Game ........................................................................................................................... 138
Drill 3: "Goalkeeper Squash" Game with Rebounder .......................................................................................... 139
Drill 4: Throw and Catch Goalkeeper Tennis Game ........................................................................................... 140
Drill 5: Goalkeeper Tennis Game with Volleys ................................................................................................. 141
Drill 6: End to End 2 Zone Rebounder Game ....................................................................................................... 141
Drill 7: Goalkeeper Penalty Competition .......................................................................................................... 143
Drill 8: Goalkeeper "One v One" Competition ..................................................................................................... 144
Drill 9: Goalkeeper "Head Ball" Small Sided Game ............................................................................................ 145
Drill 10: Players vs Goalkeepers Small Sided Game .......................................................................................... 146
