Coaching References.....	09
What is Scanning?.....	10
Introduction	11
What is Soccer eyeQ?	15
Soccer eyeQ: Coloured Visual Cues to Force Players to Scan the Pitch.....	16
Soccer eyeQ Practices: Options for Available Visual Cues	17
Soccer eyeQ: Adding the Soccer eyeQ Method to Any Practice	18
Importance of Neck Swivelling for Game Awareness	20
When and How was Soccer eyeQ Developed?	21
How does Soccer eyeQ Develop and Improve Players?	23
Interview: Jackie McNamara	24
Dundee Utd Soccer eyeQ Scanning Practice Example	27
How can the Soccer eyeQ Methodology be Implemented?	28
Interview: Nigel Best	29
How does Soccer eyeQ Help Coaches, Players and Teams at All Levels?	33
Interview: Geir Jordet, PhD	35
Xavi's "Off the Scale" Scanning: Match Example	39
Scanning to Defend Effectively: Man City's Laporte Example.....	40
The Importance of Scanning with Arsene Wenger	41
De Bruyne, Lampard & Ronaldo: "Masters of Scanning"	42
Interview: Torbjörn Vestberg, PhD	43
SECTION 1: The Soccer eyeQ Methodology	47
Soccer eyeQ Decision Making Model.....	48
Decision Making and its Importance in Football.....	49
The 3 Fundamental Components of the Decision Making Model.....	51
The Basic Decision Making Model 1.0 and its Limitations	52
New Decision Making Model 2.0: A Cycle of Interactive Elements.....	54
Referencing: Signals, Situations, and Scenarios	55
Framing: Tactical, Technical, and Tendencies.....	57
Localizing: Prospecting, Perspective, and Priming	59
Decision Making Models - A Conclusion.....	62
A Model for Game Awareness in Football	64
Game Awareness and Situation Awareness	65
A Simplified Model for Game Awareness in Football	67

Level 1: Scanning of the Playing Area67

Level 2: Reading the Game Situation 69

Level 3: Predicting How Play Will Develop 70

Level 1 - Observation: Scanning of the Playing Area72

Observation (Level 1): Scanning of the Playing Area.....73

Key Aspects of Scanning (Level 1)74

When to Scan and When Not to Scan75

5 Key Moments a Player Should Engage in Scanning76

Scanning Study 1: Comparing How Often Premier League Players Look Around Before Receiving Against their Forward Pass Completion Statistics (Geir Jordet, PhD).....78

Geir Jordet, PhD: Key Factors of Decision Making and Highest Performing Players.....79

Scanning Study 2: Comparing Scan Frequency in Games vs Specific Training Practices 80

Observation - Summary81

Level 2 - Realization: Reading The Game Situation83

Realization (Level 2): Reading the Game Situation..... 84

Adaptive Positioning and Identifying Key Reference Points85

Key Aspects of Reading the Game Situation (Level 2) 86

Incorrect and Correct Reading the Game Situation (Attack)87

Incorrect and Correct Reading the Game Situation (Defence) 88

Realization - Summary..... 90

Level 3 - Anticipation: Predicting How Play Will Develop 92

Anticipation (Level 3): Predicting How Play Will Develop 93

Key Aspects of Predicting How Play Will Develop (Level 3) 95

Incorrect and Correct Predicting How Play Will Develop 96

Anticipation - Summary97

Game Awareness Model: Observation, Realization, and Anticipation 100

Soccer eyeQ Game Awareness Model: Observation, Realization, and Anticipation..... 101

Soccer eyeQ Game Awareness Model: The 6-Step Performance Cycle (A to F)..... 103

SECTION 2: Soccer eyeQ Training Practices 105

Practice Diagram Key 106

Practice Format..... 106

Level 1 - Observation: Scanning of the Playing Area107

Why We Should Encourage Scanning in Training Sessions..... 108

Soccer eyeQ Observation: The Advantage of Scanning 109

Observation Practices: Scanning of the Playing Area..... 111

Soccer eyeQ Practices: Options for Available Visual Cues 114

Practice Example: Pass to Opposite Colour in a Basic Awareness Practice..... 115

Progression 1: Pass to Opposite Colour with Visual Cues (Outside Team Flashers) 117

Progression 2: Coloured Balls + Visual Cues (Outside Colour-Coded Flashers)..... 120

Progression 3: Colour-Coded Flashers and Team Flashers + Switching Roles122

Drill Example: Basic "Ajax Square" Passing Drill - Pass and Follow124

Progression 1: "Ajax Square" with Visual Cues to Spot and Call Out125

Progression 2: Spotting + Reversing Direction of Play126

Progression 3: Spotting, Reverse Direction, and Diagonal Passing127

Observation Practices - Summary128

Level 2 - Realization: Reading The Game Situation129

Realization Practices: Reading the Game Situation 130

Practice Example 1: Vision and Awareness Sequence Passing Practice132

Progression 1: Vision and Awareness Sequence Passing with Visual Cues134

Progression 2: Sequence Passing with Visual Cues and Positional Play137

Soccer eyeQ: Adding Tennis Balls to Practices for Extra Scanning 140

Progression 3: Third Man Support by Adding Throwing of Tennis Balls 141

Progression 4: Footballs, Throwing Tennis Balls, and Positional Play143

Progression 5: Positioning, Support, and Maintain Space from Opponents145

Progression 6: Maintain Space from Opponents + Outside Visual Cues147

Practice Example 2: Pass to Opposite Colour with Team Flashers 150

Progression 1: Team Flashers + Avoid Being Tagged by the Jokers 151

Progression 2: Third Man Support Play with Tennis Ball Throwing153

Realization Practices - Summary155

Level 3 - Anticipation: Predicting How Play Will Develop157

Anticipation Practices: Predicting How Play Will Develop158

Practice Example 1: Opposed 6v3 (+4) Vision and Awareness Practice 160

Progression 1: Opposed 6v3 (+4) Practice with Scanning and Positioning163

Progression 2: Increased Scanning and Positioning + Tennis Ball Throwing165

Progression 3: Scan, Position, Third Man Support, and Player Rotation168

Practice Example 2: Awareness Game (6v3) with 4 Cone Gates 171

Progression 1: Visual Cues and Colour-Coded Cone Gates173

Progression 2: Scan, Position, and Support Play + Throwing Tennis Balls175

Practice Example 3: 6 (+2) v 3 Pass to Floating Players Game177

Progression 1: Visual Cues to Promote Scanning and Positioning179

Progression 2: Scan, Position, and Support Play + Throwing Tennis Balls 181

Anticipation Practices - Summary183

SECTION 3: Adding the Soccer eyeQ Method to Existing Practices..... 184

Practice Diagram Key185

Practice Diagram Key185

Soccer eyeQ: Coaches Can Add Game Awareness Skills to Any Practice186

Rondo Example: Liverpool Rondo with "Magic Player"187

Rondo Example: Adding the Soccer eyeQ Method - Progression188

Passing Drill Example 1: Passing "Y" Drill189

Passing Drill Example 1: Adding the Soccer eyeQ Method - Progression 1 190

Passing Drill Example 1: Adding the Soccer eyeQ Method - Progression 2 191

Passing Drill Example 2: Short and Long Passing Circuit 192

Passing Drill Example 2: Adding the Soccer eyeQ Method - Progression 193

Passing Drill Example 3: Dynamic Passing Double Square 194

Passing Drill Example 3: Adding the Soccer eyeQ Method - Progression 195

Possession Game Example 1: Pocket Box Possession Game 196

Possession Game Example 1: Adding the Soccer eyeQ Method - Progression 1 197

Possession Game Example 1: Adding the Soccer eyeQ Method - Progression 2 198

Possession Game Example 2: End to End 3 Zone Possession Game 199

Possession Game Example 2: Adding the Soccer eyeQ Method - Progression 1 200

Possession Game Example 2: Adding the Soccer eyeQ Method - Progression 2 201

Possession Game Example 3: 6v4 +6 Outside Support Players 203

Possession Game Example 3: Adding the Soccer eyeQ Method - Progression 1 204

Possession Game Example 3: Adding the Soccer eyeQ Method - Progression 2 205

Small Sided Game Example 1: Scan to Play Forward Bounce Game 206

Small Sided Game Example 1: Adding the Soccer eyeQ Method - Progression 1 207

Small Sided Game Example 1: Adding the Soccer eyeQ Method - Progression 2 209

Small Sided Game Example 2: Play to Advanced Wide Players Game 210

Small Sided Game Example 2: Adding the Soccer eyeQ Method - Progression 211

Adding the Soccer eyeQ Method to Existing Practices - Summary 213
